S.A.T & A.C.T CLASSES

(at Badri and Yamunotri on Sundays)

Dear Friends,

We are pleased to inform you that our coaching classes for S.A.T. are scheduled to begin this year on Sunday, January 31, 2010. This is the seventeenth year we are conducting this program; we have a good response to these classes and the results of our previous batches have been very encouraging. This program is primarily for students in ninth grade or higher. A few eighth grade students may be admitted, based on evaluation by the staff. Please complete the attached form to enroll in the program, as early as possible *or register online*.

Students enrolled in this program will be required to complete the homework assignment regularly from week to week (3 hours per week besides 3 hours of class time every Sunday).

Enrollment is limited.

Highlights:

- Individual attention and guidance with tutoring support
- Enrollment is limited
- For college bound students to score high in S.A.T. and A.C.T.
- Competitive Classes groups based on performances and test scores
- Strongly recommended for those who have not attended these classes in previous years
- Program comparable to Kaplan or Princeton Review, but at a much lower cost
- Intensive training for students trying to qualify for National Merit Semifinals
